Global Gifts

"Fair Trade Gifts"

Global Gifts is a small store dedicated to changing the world. They sell a variety of handmade goods including everything from jewelry and housewares to art and toys. But what really makes it special is that all of these items are fair trade, which means that the artisans were paid a fair wage and the items were ethically made. Since these items are imported from around the world, your purchase goes toward providing fair income to people of limited opportunity. Plus, with a constantly changing stock, you never know just what you'll find.

Goose The Market

"High-End Meat Market"

Goose the Market is a butcher shop that goes above and beyond. Their meat is all local, delivered from the best farms just a few hours or days after slaughter. Their selection of cheeses is top notch. They have a deli, which makes its sandwiches out of the best air-dried, wood-smoked, and dry-cured meats available. They also offer a selection of seasonal produce; again, all local, all high quality. And if that's not enough, there are a variety of fine wines, which can be bought by the bottle or enjoyed by the glass, in-store with small, artisan snacks on the side.
