Bobby From Boston

"Time Machine"

While it's hard to believe at first glance, this expansive boutique tucked away in an inconspicuous alley off Harrison Avenue, has an envious reputation among fashion circles. Those in the know however, are firm followers of founder Bobby Garnett's keen sense of fashion from the yesteryears. The boutique's fantastic collection offers styles from as far back as the 1920s. While the selection is heavy on menswear, there are a fair amount of delights for the ladies as well. Call for more information.
