Jimmy Choo

"Walk On"

Shoe shopping got a new meaning with the arrival of Jimmy Choo on the market in 1996. Couture shoes have become the new style icon today, thanks to innovative designs from Jimmy Choo. After creating shoes of every size and for all occasions, the designer shoemaker moved into producing handbags and small leather goods. The bridal collection of Jimmy Choo is especially elegant and spectacular. Like all apparel designers, Jimmy Choo also presents seasonal collections of shoes to suit the moods of each season. So, the next time you are in Vegas, walk into the Jimmy Choo store at the Forum Shops and walk out in a comfortable pair of heels.
