Champions Golf Club

"Beautiful Fairways & Greens"

This private club hosted the U.S. Open in 1969 and features two excellent eighteen-hole courses, the Jack Rabbit and the Cypress Creek. Of the two, the Cypress Creek course is the most challenging with out-of-bounds stakes lining every hole. Both courses have tight fairways with sweeping Bermuda grass greens. There are several water hazards that will come into play on the Cypress Creek course, but the terrain is flat and easy to walk. The dress code is fully enforced, so be sure you are dressed appropriately. Tee times are accepted two days in advance, and the club is open all year.
